3. As there were no references in this Office connected with the abolition of the Lingayet Chattrams which existed prior to 1892 at Mysore, the Officer in charge of the Palace Establishments and the Secretary to Govt in the General and Revenue Departments were requested to forward any references on the subject which ~~are~~ were forthcoming in their offices. The Secretary stated that no such papers were traceable in his Office records, but the Palace Officer has submitted the original of a hukum of the Assistant Commissioner in charge of the Palace Department to the Gajasala Department issued under date the 21st November 1883, as being the only reference forthcoming in his Office that hukum purports to issue under the orders of H H the late Maharaja Sri Chamarajendra Wodier Bahadur G C S I, who directed the abolition of the following nine Chattrams at or near Mysore :—

(1) Sadabart Chattram with a tasdik of Rs 1,200/-

6. As stated in para 4 of this note, the Palace Office could not furnish information as to which of the Chattrams referred to in para 4 above supplied cooked food to Lingayet travellers. The Deputy Commissioner of the Mysore District was thereupon requested

Muzrai Secretariat. | File No. of 190

to furnish the required information and also to report on the following points:—

(1) What amount is now spent from the Ganaradhane Chattram at Nanjangud, what savings are effected per annum and what is the amount of the accumulated savings of the Institution;

(2) whether there is a real need for feeding Lingayet travellers in the Mysore City and if so, what would be the probable cost per mensem.

7. The Deputy Commissioner's report is now received. From its enclosures, it is observed that with the exception of the Chattrams noted as (1) and (10) above, namely the Sadavart Chattram and the Ramanujakoota, the other 8 chattrams supplied food to Lingayet ~~and the Brahmins~~ travellers, that in one of them viz, Hemmajiammanni Chattram Lingayets alone were fed, and that in the remaining 7 Chattrams, Brahmin

travellers were also fed.

8 As regards the 1st point referred to in para 6 above, the Deputy Commissioner reports that the Jasdik of the Ganavàdhane Chattram at Nanjangud is Rs 41-8 0 per mensem, that out of the same, Rs 5/- are paid to the Chattram cook and the balance is utilised for distributing seeda to "Jangamaru" and Byragees, and expended, of cake for the first 20 or 22 days of each month. He has also submitted a statement showing the amount of accumulated savings from which it is observed that the Institution had a sum of Rs 1411-3-8 at its credit at the end of 1904-1905

9 As regards the 2nd point, the Deputy Commissioner says that 4 of the leading members of the Lingayet community, noted in the margin, were consulted as to whether there was a real need for feeding Lingayet travellers, and that they expressed the opinion that there was such a necessity The Amildar is of opinion that a Lingayet Chattram may

GOVERNMENT OF MYSORE.

MUZARAYI.

PROCEEDINGS.

Dated 31st October 1892.

No. $\frac{48\text{-}50.}{\text{Muz. F. 25-92.}}$

Sanctioning the re-distribution of the Funds assigned to His Highness the Maharaja's College and Chattram at Mysore.

Mysore Govt C Press, Bangalore—1-11-92.—120.

No. 48-50—Muz. F. 25-92, dated Bangalore, 31st October 1892.

Order.—His Highness the Maharaja's Sanskrit College at Mysore is maintained out of Muzarayi Funds which became available for this purpose, as well as for other Charitable Institutions in Mysore, by the abolition, several years ago, of various feeding Chattrams with specific grants, which existed in the neighbourhood of the Mysore City. The funds thus available have been supplemented by State Muzarayi grants and they now amount to Rs. 25,172—15—11.

2. In October 1883, His Highness the Maharaja was pleased to lay down definite principles for the management of the Sanskrit College and the Charitable Institutions in question and to promise that after some experience had been gained of their practical working, final orders would be passed on the subject. During the 9 years which have since elapsed, much has been done for the diffusion of a knowledge of Sanskrit Literature in all its branches. Owing to the rapid growth of the College, it is found impossible to maintain with present funds the high standard which has been adopted, and it is accordingly resolved to sanction for this College a grant-in-aid from the Educational Budget of Rs 6,500 per annum. The total amount available for the College and other Institutions in question will thus amount to Rs. 31,672—15—11 as follows:—
